From The Editor:

I want to thank Lou Galper, Bob Humphreys, and Mike Williams for great photos of the Speed Festival. This years photos of Greg Johnson's 100S winning Class Two were particularly good. The November issue of Healey Hearsay is perhaps the most fun to do because of large and colorful events such as British Car Day and the Speed Festival.

I have decided not to stand in election for editor for 2007. There is plenty of talent in the Club and I look forward to reading next year's Healey Hearsay from the sidelines. I am planning several trips for next year and am looking forward to them. My best wishes to the 2007 Club board.

I was not able to attend this year's British Car Day. Steve Kirby suggested the BCD story by David Johnson, a member of the British Car Club Council and the Bentley Drivers Club. David submitted a great event recap and photos. It's interesting to see BCD through someone else's prose.

The 2008 Conclave logos are being designed by Mike Williams and the Conclave committee. I am acting as the "Man on the Mac". Designs for past Club events were designed and executed by me. This is a new experience for me and is, at the same time, producing ideas that I may not have thought of. The designs include the event logo and the Sprite 50th anniversary. I think they both do an excellent job and accolades should go to Mike and the Conclave Committee for a job well done.

Unfortunately, I ran out of space for the solution to the BJ8 top problem I mentioned last month. It will be in December's Healey Hearsay,... so stay tuned to this station.

Regards,
Warren Voth

October 29, 2006

Hi All,

It looks like our level of activity has begun to taper off for the winter. Rain and cool weather conspired to ruin this month's Dana's Driving Club drive, but the five of us still had a nice meal at the Bread Basket in Alpine. Thanks Warren for offering your home for brunch, sorry we failed to take advantage. Our Oktoberfest at the Farnsworths' had much nicer weather, and hence a much better turnout. I was very glad to be there, instead of at home watching the Chargers' disappointing loss to the Chiefs! Thanks again Bob & Sue for providing such a great setting for us, and to John Schermerhorn for doing his usual fine job at the grill. The brats were terrific!

This month's meeting brings our annual elections. The offices being elected are: President, Vice President (Membership), Secretary, Treasurer, Newsletter Editor, and Activities Committee Chairperson. With a little bit of arm-twisting, Sandy's got a few nominees for various positions, but that's no reason you shouldn't come on out and get more active in YOUR CLUB. At least a couple of the nominees are of the "only if we can't get anybody else" variety, and will not have their feelings hurt if somebody else decides to run for that position! Serving on the Board has several advantages, including: the Club will pay your AHCA dues for you if you want us to; Mike may not twist your arm quite as hard to work on Conclave '08; you get to go out to dinner twice a month instead of just once. Let VP Sandy Leon know if you would like to run for an office.

You may have noticed that you didn't receive your renewal notices this month, as promised. We heard at the last minute that there might be an increase in the AHCA dues, so we decided to hold-off on sending out the notices until after Mike gets back from the AHCA Delegate's meeting. We'll be sending them out immediately after that, so keep an eye on your mailbox and send in your renewal as soon as you get the notice.

Speaking of keeping an eye on your mailbox, you should soon receive your invitation to our annual Christmas Party. We need to know how much food and how many door prizes will be needed, so please respond to the invitation right away if you plan to attend.

As a final note, we're hoping to organize a tech session in the next few weeks, to help John & Mary Schermerhorn get their Sprite back on the road. It's been idle way too long, and John says it's finally getting close to being ready for final assembly. We don't have a date for this session yet, but as soon as we do we'll get the word out.

TTFN,
Rick

Activities by Dana McPeek

Due to the “resounding” success of the October drive to Desert Tower (and a liberal dampening), I would like to make the December 11 drive similar to that we had planned for last month.

Saturday, November 11 Meet in the McDonald’s parking lot at the corner of E. Main St. and Greenfield Drive (TB 1252-B3) in El Cajon at 9:30am. Leave promptly at 10:00am for a beautiful and challenging back roads drive to Dulzura Cafe for lunch. Sprint through Campo and Jacumba to Desert Tower An hour there for a short hike to see the springs and enjoy the 180 degree view from the top of the tower Then, for the more hardy of the drivers, back through Boulevard and Live Oak Springs and roughly parallel I-8 to Sunrise Highway Then north through Mt. Laguna to Julian for dinner at the RongBranch Cafe.

This will be a spirited, all day drive through some of the most beautiful roads in the SouthEast corner of our county. Do not miss this last drive of 2006!!!!

Dana

The next Conclave ‘08 meeting will be Wednesday, November 29 at 7:00pm (dinner starting at 6:00pm) at the Sizzler Restaurant, 3755 Murphy Canyon Rd (off Aero Dr). I would like all committee chairs to bring a list of expected expenses so that we can start putting the budget together. Also, the event logos have been finalized and are available for viewing on the AHCS D website or the “Conclave08-News” Yahoo Group. Letterhead will also soon be available for your committee’s use. Please plan on attending this next meeting and don’t hesitate to contact me if you have any questions. Things are really moving along now and I know I’ll have a lot more exciting news when I return from the AHCA Delegates meeting in Atlanta.

Mike Williams
2008 Conclave Chair & AHCS D Delegate

Christmas Party, December 16th at the Auto Museum: The Club will provide turkey, ham, rolls, condiments and soft drinks. Please bring some sort of “brunchish” side dish or dessert to share. We’ll also have our usual gift exchange and door prizes. (Everybody please be sure to respond to your invitation as soon as you receive it, so we know how much food and how many door prizes to buy.) There will be a nominal charge (to be determined) per person, to cover the cost of the room, decorations, food, beverages and door prizes.

2006 SRT CORONADO SPEED FESTIVAL

by Warren Voth

This year's October 7-8 Speed Festival, hosted by Naval Base Coronado, is a welcome return from last years absence. It's hard to believe this is the tenth year. Like the cars, time is at speed. I waited until the last week to get my ticket. I was shocked to see the price had increased to \$25.00 per day and \$30.00 at the gate. I was told, when I purchased mine over the phone, (with a chuckle) that were plenty of tickets available. I seem to recall paying that much for both days. My impression is Sunday's event was not a crowded as previous years. The food lines at noon were definitely shorter. However, the event is worth it. The food is good, portapottys were many and clean and North Island is still the best venue in San Diego for this type of event. May the Speed Festival rule forever!

The Car Club Corral is also changing with time. The first Corral's were mainly MG's TR's, Healey's, Alfa's Jaguar's, etc. marques of the 40's, 50's, and 60's, which started the sports car thing after WWII. These are now dwarfed by hot rods, Miata's, Mustangs, Cobra's, and Corvette's, It's understandable. For most event attendee's, this is becoming a vicarious history lesson rather than the visceral experience many of us remember from Hour Glass, Laguna Seaca, Santa Barbara, and Riverside.

For Healey people, the event is capped by the appearance Dewey duButts in her 1960 Sprite, Gary Black in his 1960 3000, and Gregg Johnson in his 1955 100S. I understand that Dewey, to assuage an itch, decided to buy a race prepped Sprite, (from club member Jim Widgery) learned to race drive and here she is. *Attawaytagogirl!* Gary Black

*Top- Dewey duButts in her '60 Sprite on the starting grid.

last raced at the first speed festival. I haven't seen Gary since he was an entrant at our '99 West Coast Meet. I remember him asking me to follow his 3000 from the car show on the bay back to the Town & Country Hotel. His car is for track and was not licensed. Unfortunately, I wasn't able to talk to Gary as he was not at his car in the pits. I left a club card with a note in his car. We did make eye contact while he was on the starting grid. I did notice the 3000 now has a bright yellow interior that looks great with the 3000's BRG paint. Gregg Johnson was featured in last month's HH issue article, *The Monterrey Pre-Historic Practice*, by Sharron Tanahara,

Again, for Healey People, *the* race was afternoon's Group Two and the dual between Gregg Johnson's 100S and number 500, the Italian red 1965 Maserati driven by Dean Meiling (front cover). Gregg drove like the red devil was after him. As a matter of fact, he was. I'm sure Gregg

...More Speed Festival

could feel the Maseati's trident jabbing him in the boot several times as Dean diced to overtake him in the corners.

Group Three included admirable drives by Gary Black's 3000 and Dewey duButts Sprite. I captured nice shots of them on the starting grid. Thanks Lou Galper and Mike Williams for superb pic's from the turn eleven viewing stands. I had to leave after the group Three race for a conflicting family event. All in all, it was another great Speed Festival.

Left- No. 11 Reinhard Goldsmith's '58 Lotus eleven "in blossom" ran in group four.

From the Classic Car Collection- 1953 Astin Martin DB2 Arnolt. A Chicago automotive importer and dealer named Stanley Harold "Wacky" Arnolt had an idea to create a high styled racing and touring car using the very fast and proven mechanisms of the Astin Martin DB2. He purchased seven chassis and engines and had them sent to Bertone to have Franco Seagleoni pen a high styled Italian design. Of the seven cars, only three were completed as Spyders with the other four as closed coupes.

It's Oktoberfest at the Farnsworth's

By Warren Voth

It was a nice just barely Fall day for a drive to the Farnsworth's. I left late but not too late for a John Schermerhorn brat worst and all the trimmings. The kitchen bar was covered with all manner of oktoberfestfoodnstuff. My favorites are always Jan Schmidt's red cabbage, Gisela Putzke's chocolate frosted chocolate/cherry cake, Barbara Humphreys triple chocolate brownies, and oh yes,...the cheesecake!

The fest included; Curt & Nancy Arndt, Norm Brewer, hosts Bob & Sue Farnsworth, Rick & Donna Farnsworth (Son & Daughter in-law), Lou Galper &....., Bob & Barbara Humphreys, Laurie & Don Ivers (the Farnsworth's daughter & son In-law) Steve & Diane Kirby, Udo & Gisela Putzke, John & Mary Schermerhorn, Dick, Jan & Douglas Schmidt, Rick Snover, Warren Voth, Jim & Barbara Widgery, and Dick Murphy (Docent at San Diego Auto Museum and the Farnsworth's neighbor).

The 27th, Annual British Car Day at the Fairbrook Horse Farms in Bonsall started out many months earlier with a small group of people in the San Diego British Car Club Council, making tentative plans and assembling the personnel needed to put on a car show with an anticipated attendance of over 500 British cars and several thousand people. They needed vendors for food, souvenirs, portable toilets, marshals, programs, trophies, raffle prizes, police and a host of volunteers on the day of the event. The San Diego British Club Council is indebted to the Fairbrook Farms for the use of the field for these events over a large number of years.

...what is a British Car Day without bagpipers?...

...The featured marque was DeLorean (with 16 cars present...)

The day started at 6.30 am with the sun starting to appear and the cars beginning to arrive, cars were still coming at 12.00 noon with a total count of just over 500 cars. The cars ranged from the smallest N series MG from the 1930's to the latest and largest Rolls Royce. All the marques were directed to dedicated parking areas that were marked out prior to cars arriving. Hogg's Beach BBQ the food vendor did sterling business satisfying the needs of those without picnics. Raffle tickets were sold by volunteers all with the money going to 3 local charities. The BCD has a goal of \$3000 to be split between "Operation Smile", "Locks of Love" and "SDBCCC Scholarship".

The featured marque was De Lorean (with 16 cars present)The featured marque was De Lorean (with 16 cars present), produced in Northern Ireland by John De Lorean in the early 1980's. There were of course over a hundred MG's of all types, many many Austin Healey 3000's and Sprites, flocks of Triumphs, 4 Aston Martin super cars, a line of unbelievable Rolls Royces, a brace of Lagondas from the 1930's, one previously owned by Gary Cooper. A line of 8 Bentleys which included a 1929 Speed Six. 2 convertible Rileys, a Ferret armored car that would make you feel safe driving in Southern California, a number of Fords, one being a convertible Anglia (never seen one before) imported from Australia. An outstanding Daimler once owned by Princess Elizabeth now Queen Elizabeth II. In addition there were Lotus's, Austins, lots of Jaguars, Minis old and new, Morgans, Morris Minor 1000's and woody travelers, Jensen Healeys, and TRV's, if I missed a marque I apologize. There were visitors from Australia, Britain, Canada and I am sure other parts of the USA and the world.

Trophies were awarded to all the marques and for the Best Classic Elegant Picnic. The Best of Show was awarded to a Rolls Royce Phantom VI limo that had beautiful picnic side boards attached to the front wings with an appropriate picnic including crystal wine glasses and padded seats that were attached to the bumper over-riders. The family that brought the 1929 Bentley Speed Six also brought the 2 Lagonda's "he" drove the Speed Six and "she" drove the V12 Lagonda Rapide. In the line up of Austin Healey 3000's, one that was extremely well turned out was

...not to mention a brace of Logondas and blower Bentleys?...

...and of course a Ferret armored car...

...a long line of Austin Healeys, one had by it's owner since new...

...a proper picnic eaten off porcelain...

27th Annual British Car Day

bought new in 1963 by its present owner. The day was a perfect Southern California Fall day with the temperature being just right. The picnics were all enjoyed; the food and souvenir vendors did a great business. The volunteers started to clean up the field about 3.00 pm so as to leave it the same way it was on arrival.

...a well badged, quiet colored Sunbeam tourer...

...and we end this British Car Day with an outstanding supercharged BRG MG type NT.

**Sunday, December 3rd is Randy Zoller's
Annual Triumph Club Temecula Cork Inspection Tour...**

Sunday Dec.3: Meet at Mira Mesa Park & Ride at 9:30am. We will leave at 10am SHARP!! We will stop at the Deer Springs Rd. Park & Ride at 10:30am to pick up the North county folks. Then on to Temecula where we will arrive at approximately 11:15am at the brand new Wiens Family Cellars on Rancho California Rd. That's right.....Wiens Wines!! It is located next to and just East of Ponte Winery and South Coast winery where we ate lunch last year. Great wines and an absolutely beautiful facility. Then at noon it's off to the spectacular new restaurant at Falkner Winery, 40620 Calle Contento. This wonderful eatery with it's beautiful modern Tuscan architecture is perched high on the hillside and offers an awesome panoramic view of the valley. And I thought the food was excellent too! Then it's back down the hill and just a few hundred yards farther down Calle Contento to Longshadow Ranch Winery. Just a fun and a little bit more rustic location for a change of pace. Then finally it's off to Leonesse Cellars at 38311 De Portola Rd. We visited this winery last year and most everyone was impressed with their wines. But the tasting was done in a temporary building because the winery was not yet open. Well, it is now and you will be amazed. It seems like a giant game of oneupmanship is being played amongst the winery barons to the benefit of us all. After that you're on your own to explore the many new restaurants and wineries that have popped up in the Temecula Valley. And don't forget, WE WINE THROUGH RAIN OR SHINE!!!!!!!!!!
