From The Editor:

The Conclave '08 committee is in *high gear* as the big week is approaching. As it has been years since I have been directly involved in advertising, it feels like old times. I never thought I would miss deadlines, some confusion, and the pressure of people working together.

I see lots of team work as our Conclave committee is grinding, maybe sometimes slogging, our way to June 29th. Along with being editor, my part includes the graphic part of Conclave. The event badges are finalized and ordered as there is a lead time of at least 6 weeks for manufacturing and shipping. Of course, there is the normal confusion from Asia as to production and execution of design details. The Conclave banner design is completed and heading for production. The May ad promoting Conclave is finished and should be heading to Reid Trummel for insertion in Healey Marque. The front cover and spine for the Conclave program is done and approved and ready to be printed.

On other fronts, Bob & Barbara Humphreys are busy receiving and confirming registrations. **Please get your registrations in as soon as possible so we can better plan Conclave.** Lou Galper, Gale Hess, Gisela Putzke, Jim Leaverton, and Mike Dolphin have lined up the very important event sponsors critical to our events, with Bilstein and Putzke's Fahrspass on the back cover of the program. Thanks to all our sponsors who will make Conclave '08 successful. Udo Putzke is testing and finalizing the final rallye routes. The rallye will feature a special plaque, given to all registrants to Conclave sponsored by Putzke's "Fahrspass" as a souvenir of Conclave '08. Steve Kirby has the trophies almost completed. These are just a few of the committees reported. Event Chair Mike Williams is busy overseeing all efforts.

Unlike other parts of the country, Spring has arrived in San Diego. I am looking forward to the drive to Borrego Desert to catch the crop of wild flowers blooming from this year's good rains and even snow in the mountains.

Regards,
Warren

From The Vice-President

Our 2008 membership renewal campaign has ended. The good news is that we have 95 paid-up memberships (plus one more "the check's in the mail" renewal), including 9 new memberships. 41 of our members also have their AHCA membership through us. The bad news is that we lost 13 memberships, some of whom have been with us for a long time: James & Myrna Copley; Lee & Joyce Dompe; Gil & Deb Jemmott; Ray & Luanne Johnson; Fred & Sandra Kinner; Frank & Charlotte Leamy; Tom & Ernestine Luckie; John McCoy; Andrew & Elissa Oransky; Rich & Barbara Priebe; Frank & Marjorie Rotunda; Sharon Tanihara; Randy Zoller. I still hope that many of them will re-join the Club soon.

Rick Snover
AHCSO Vice President

From the Web Master...After a lot of flailing around, and some actual PAPERwork exchanged between the current holder of the domain name registration and the registrar, our sdhealey.org domain name was reactivated earlier today and the web site appears to be working fine again!

We've now transferred the registration to my Network Solutions account and I've prepaid for the name for five years with an auto-renew option, so this shouldn't happen again anytime soon.

I think I've updated the site with any new or modified files from my home space, but if you notice anything missing or outdated at <http://www.sdhealey.org> let me know. I'll leave the stuff in my home space for a few more days, too, so if the main site goes down again you can go to <http://home.earthlink.net/~ricksnover/sdhealey> for the calendar, etc.

WHAT'S COMING UP

By Rick Snover, Activities Committee Chairman

We had some fun in March, didn't we! Our Experimental Aircraft Association Lunch & Drive on March 1st, (thanks again Gale!) and our Anza-Borrego Desert Wildflowers Run on the 22nd, along with higher than usual turn-out of Healeys (possible due in part to the great weather both days), made it one of our best driving months in a long time.

13th Annual S.D. Rolling British Car Day, April 13th: The tour ends at the SD Automotive Museum in Balboa Park, and they're setting aside an area of the parking lot to display two "special" cars from each member club. If you'd like to volunteer your Healey to be displayed for the day, contact our SDBCCC rep, Terry Cowan. This is our main event for April, so we hope to see a lot of you and your Healeys on the 13th.

To my fellow members of the Activities Committee (that would be all of you) – Car show season is upon us, along with our great driving weather, and we're working on a couple ideas for the upcoming months. Keep the ideas coming!

Experimental Aircraft and Back Country

By Rick Snover

On Saturday March 1st the Club gathered at Terry Cowan's house to caravan down to Brown Field for lunch with the Experimental Aircraft Association. At least 17 AHCS D members and guests were there: Lou Galper & Debbie, Warren Voth, Udo & Gisela Putzke, Terry Cowan & Marlene, Rick Snover, Bob & Barbara Humphreys, Gale & Martha Hess, Gerry & Susan Kwiat' & Sam Virden, John & Mary Schermerhorn, and maybe some more that I can't now recall (almost a month later).

We saw a bunch of very cool planes and the flyboys liked our cars a lot - I'm not sure which group spent the most time ogling the other's toys! The fund-raiser lunch served by the EAA volunteers was excellent, too, especially for the price. A million thanks to Gale Hess for suggesting and coordinating this fun outing this for us!

After lunch five Healeys departed for a drive, including: me in my Sprite, Terry & Marlene in Terry's 100, Udo & Gisela in their Tri-carb, Warren in his 3000, and Lou & Debbie in Lou's 100.

Our first mission was to find a gas station for Warren, who was running very low on fuel. We failed miserably. We drove back into Chula Vista to avoid the toll road and then up to Otay Lakes Road via Olympic and Eastlake Parkways... Still no gas stations! Do all Chula Vistans run electric cars?!?

We gave up and went on out Otay Lakes Road to Highway 94, where Warren and Udo & Gisela left the group to return home. The remaining three Healeys continued on out Honey Springs Road through Deerhorn Valley, then came back towards Jamul on Lyons Valley Road - one of the best sports car roads in the county, especially when the traffic's as light as it was that day!

Above left- in front of Terry Cowan's home before the drive. Above right- Debbie Durham mugs a plane. Above- on the road from Lou Galper's car with Debbie behind the camera. Below- work in progress in Hanger #1.

After an exhilarating drive - not even Dana would have been bored - we finished at Hooley's Irish Pub on Jamaica for a pint and a bite. The last couple miles served as a nice "cool-down lap" - long enough to let the color return to the ladies' knuckles, but not so long as to remove the grins from the driver's faces. Among the first words exchanged after parking at Hooley's were "Can we go again?" My grin comes back when I think of it, even now.

13TH ANNUAL ROLLING BRITISH CAR DAY & PICNIC - SUNDAY, APRIL 13, 2008

Meet at **FEED THE DAY CORNER BAKERY CAFÉ**

Arrive no later than 8:30am First cars out at 9:30am

If you haven't attended our "**Rolling British Car Day**" yet . . . you've really, really missed a unique event! Last year, we had a little weather problem, so this year we will stay below the snow belt.

The purpose of **Rolling British Car Day** is simple—to get as many folks and clubs together as possible, and to put their wonderfully different British cars on the road!! We seek to foster camaraderie and have you meet new friends and see old ones! It's quite a sight to see British cars as far as you can see ahead of you, and even more in your rear view mirror!!!

Rolling British Car Day is a non-competitive, no stress, only-fun-allowed event. There are no fees, no applications, no judging and no trophies . . . **but we will have FREE raffle prizes at the end! WHAT A DEAL, EH???**

We have just become too dog gone big for any restaurant to handle us! **So, bring your picnic basket and blanket or chairs**—a great chance to show off that picnic basket and all the goodies you've been collecting all these years!

To reach the starting point—From Hwy 163 go East on I-8 exit Mission Center Rd toward the Westfield Shopping Center (Mission Valley Shopping Center) turn right on Camino De La Reina and first right into the parking lot. They will be open at 7:30am with Coffee and Pastry and hot breakfast items.

We will travel through the bay and central San Diego areas and end up at the San Diego Automotive Museum for our picnic and raffle. Admission is free to the museum for participants. Each SDBCCC member club will provide two cars for a special display at the museum.

Progress of Gerry/Susan Kwiat's 100-6: The car is back on the road again and has been taking several jaunts around town and out to dinner. Gerry has fixed the turn signals and tail lights to a "working" condition. BUT, the car is getting ready for the Popular Car Show at Conclave: new bumpers were purchased, all chrome pieces are being cleaned/polished (by Susan) and the car is being prepped for body work and its new paint job.

Our Sorta'- Annual Borrego Desert Wild Flower Drive

Saturday was great weather for the Borrego wild flower drive. Unfortunately, the flowers were past their prime, but we snuck a couple of good looks anyway. Those attending included: Bob & Barbara Humphreys, Udo & Gisela Putzke, Rick Snover & Allie Casarda, Howard & Lynn Stark, Warren Voth & Lana Livingston, and Mike Williams. Almost forgot... Steve Kirby made it part way. We left from Starbucks, Rancho Bernado Road, about 11:30am. I managed to get my front shroud dented by a flying piece of particle board on the way from home. (The dent is below the grille and fixable. The Dent Dude is going to take care of it for about \$150.00.)

We headed East via, Pomerado, Highland Valley, and Bandy Canyon Roads, ending out 78 through Ramona east to Dudley's. After a quick bread and necessary stop, on to CA-79 to S22 and ending up at Christmas Circle in Borrego. There, we opened our picnic baskets and munched while surrounded by the annual art show.

After a quick peek at the art, we headed out Henderson Canyon road and hunted down the last spring blooms before they closed up shop for a hot summer. We stopped, checked out the color and headed west up Banner Grade by Julian and home. It was a very nice outing. And would have been nicer if more members showed up. But who wants to waste a perfectly good Saturday when it's time to be weeding the back yard or tiling the bathroom. Did I say I don't envy you?

Warren Voth

There actually was a picnic basket.
