October 2019

From The Editor:

I Have been thinking long and hard about what to do with our, liner swimming pool. *About now, you're thinking what does this have to do with the Club?* I'll tell you...

It was really the family's swimming hole since 1982. Our sons, Derek and Nathan would climb up and dive in from the roof top which would give their mother (and me) a stroke..It was also 10,000 gallons of water for fire fighting, which thankfully, were never needed.

Our pool deck was the center for many Healey Club 4th of July Parties. The deck hosted meetings for '99 West Coast Meet-California Healey Week. We even hosted one Healey Club Christmas Party, (not on the pool deck). We always enjoyed having the Club over for an event. I miss those days with friends and family...

I have known for almost a year, the pool was at the end of it's use. The deck is in a similar condition. I have considered filling the pool in and cutting the deck off. Good

memories have kept me from the pool demolition...

So I have been getting bids on a new permanent cement shot-crete pool and a new Trex deck. I have established what the project would cost. With a little bit of luck, more good times on the new pool deck will continue...

See you on the 5th, Warren

October Meeting...

Hello

It was a great meeting turn out at King's Fish House. We filled up the entire room. Everyone appeared to enjoy the food and conversations. Although many members were attending the 2019 Conclave, it was nice seeing so many in good spirits. Terry and Udo have been sharing some great photos capturing the Conclave on Facebook. We hope to hear more about Conclave when they return along with other club members who attended.

The weekend activity turned out great! Lou mapped out a wonderful ride up to the Mt. Soledad National Veterans Memorial. The memorial has undergone transformation including memorial plaques in commemoration of family members who have served our country and fought to preserve our freedom. There is an allotment for up to 5000 granite plaques for all branches of the Military Service. It was quite moving to see and read the history of our service members. You can apply and complete an application with a donation for a plaque as a perpetual remembrance of a veteran in your family. Although the weather was a little overcast, there was a beautiful 360* view of San Diego. If you have some time, you should visit Mt Soledad.

We continued our journey to The Birch Aquarium. They've have made some great exhibit changes, since Lynne and I last visited. The new display area for a Sea Horse and Sea Dragon encounter is very nice. I always find something fun to see and enjoy at the Birch Aquarium. The view of the ocean outside and interactive area is great! After we completed exploring the aquarium, we took to the road and met up at The Lodge at Torrey Pines for lunch. The Lodge Grill is a great place to eat and have brunch. We enjoyed great food and company. This was a fun day and great club activity. Thanks to Lou for all his work and planning.

I met up with Ron, Carolyn, Ed and Sandy for the Parrot Head fundraising event at Campland on the Bay. What a great event and place to be! Bands played, folks danced all day on and into the night. The food and beverages were tasty and everyone was having a good time. This fundraiser is scheduled every year. If invited again, in September 2020, I hope more of our club members will attend.

Warren has offered to be our host for Oktoberfest on Saturday, October 5th at his home off Riggs road in El Cajon 11am-5pm. Please look to the calendar. His road is a single lane private road near Sycuan. If you have a preference for something to drink, please bring it. Our plan is to have Brats, hot dogs and other fun foods for the occasion. Bring something to share if you like. The more the merrier! The club will provide food, beverages plates etc...

Warren has a pool and nice patio seating area and his home is a great place to gather. Bring your swimsuit and a change of clothes if you would like to take a swim or dangle your feet in the water. We will hold our monthly club meeting during the party. There will be no Club Meeting on October 9th. The following weekend Saturday October 12th is British Car day at Spanish Landing. Remember to register early.

I would like to remind everyone we would like to grow our member involvement in our club gatherings and activities. We look forward to your contributions, sharing your interests and even running for board positions. Board member elections we be conducted during the November meeting and we hope some of you will step forward to run and come to the meeting to nominate and vote for your 2020 board members.

Holiday party planning has been underway for Saturday December 14th at the San Diego Automotive Museum and Lynne and Lou are working out the details. Mark your calendars and save the date.

See you soon

Drive to Mount Soledad...

Lou put together a very nice September driving event to places that I had not visited in...*Holy cow, has it been that long!* I met Howard & Lynne at their home, and we drove to the Mira Mesa Park and Ride together. Lou & Deborah were there waiting for us. We took the scenic route along Carmel Valley Road to Del Mar Heights to Camino Del Mar to Torrey Pines... on to the Mt. Soledad National Veterans Memorial. The rest of the crew were there, waiting for us.

To me, Mount Soledad can be a needed dose of reality of what this country is really made of...Especially after hearing non stop, what a terrible place America is... I am reminded of a favorite TV special from years ago, *Herman Wouk's, the Winds Of War* depicting what San Diego, the West Coast and America was like during the early war years...

After a remembrance, that I'm sure many of us had, the group headed down the hill to the La Jolla Parkway and La Jolla Shores Drive to the Birch Aquarium...

Above center- Rick, Lily, Sandy, Allie Deborah, Lou and me behind the camera, at the Memorial

Center- the Leon's Sprite the Starks MK1 BT7, Lou's 100-4 and the Senover's MK3 BT7 wait patiently in the lower parking lot.

Above-Lily taking a picture of Lynne taking a picture of Lily, taking...

Above Top- The Memorial in the morning sun with a couple of the crew at the top.

Above- Looking south-west at the morning fog receding over La Jolla. It was quiet as we had almost the entire Memorial to ourselves.

...And The Birch Aquarium

Right- The crew frolicking outside the Birch Aquarium

Below Left- A view of Scripps Institution of Oceanography and Ellen Browning Scripps pier, taken from the Birch Aquarium.

Below right- People watching fish watching people in a large exhibit tank.

Scripps Institution of Oceanography was founded in 1903 as the Marine Biological Association of San Diego, an independent biological research laboratory. It was proposed and incorporated by a committee of the San Diego Chamber of Commerce, led by local activist and amateur malacologist Fred Baker, together with two colleagues. He recruited University of California Zoology professor William Emerson Ritter to head up the proposed marine biology institution, and obtained financial support from local philanthropists E. W. Scripps and his sister Ellen Browning Scripps.

In 1912 Scripps became part of the University of California and was renamed the "Scripps Institution for Biological Research." [1] Since 1916, measurements have been taken daily at its pier. [6] The name was changed to Scripps Institution of Oceanography in October 1925. During the 1960s, led by Scripps Institution of Oceanography director Roger Revelle, it formed the nucleus for the creation of the University of California, San Diego on a bluff overlooking Scripps Institution.

Then, Dave Grundies shows up

Who ever laid out the fish tanks definitely had an artistic eye. Nothing is random.

Before Dave shows, the gang looks at me like whats missing?

After spending time with the fishes in the Birch Aquarium, we adjourned to the Grille at the Torrey Pines Inn. So, we're sitting there, enjoying our afternoon munchies and guess who shows up...Dave Grundies! And with his Austin Healey tie yet. Of course, the gals went nuts over a guy in a tie...and an Austin Healey tie too. And us dudes sitting there in sports and T shirts...Ok, Dave babe, you got one coming buddy...Ha, ha...

To The Ladies of the Healey Club

Mary and I go to lunch a few times a year. Last year Healey ladies joined us. Everyone got busy, so we quit.

I'd like to see us "do lunch" again with more Healey ladies. We could lunch

In different parts of the county so more are able to join us if they so choose.

Maybe some of the newer ladies would like to "meet and greet". Meetings can be busy and difficult to socialize.

Tech sessions are mostly for the guys. Lunch is a nice way https://upload.wikimedia.org/wikipedia/en/b/bc/Aq_facility_rental.jpg

to meet and get to know each other. The first Friday or Saturday of the https://upload.wikimedia.org/wikipedia/en/b/bc/Aq_facility_rental.jpg month would be good or every other month if every month is too often.

If we get to know one another, the holiday party and other club events will be more fun, and I'm all for that!

See Ya

Jan Schmidt

Please join us Friday October 4th at Casa Machado @ 12:30PM

Call Jan Schmidt at 858-453-3864 or Mary Schermerhorn at 858-279-3388 to RSVP,

So a table large enough can be reserved.

Also of interest-

The Bernardo Winery Arts and Crafts Fair Saturday. October 19th and Sunday October 20th 10Am-5PM

Always a fun event-crafts, food trucks, wine tasting and lots of beautiful things to see. Also "Hot Kettle Corn" yum!
