## From The Editor:

I am coming upon the end of my second year as editor. Time flies, whether we're having fun or not. I am still having fun as editor. As I mentioned, almost two years ago, I'm doing this as much for myself, mentally, as for the Club. Unless there is someone who would like the position, I will stand for a third year. If there is someone who would like to be editor, I am more than pleased to help you get started...

One change I would like to make is to welcome new members in the editors column. So, recent new members, if you would like a little recognition, you may send or email a few words, and perhaps a picture, and I would include you in my column, as not all members attend all monthly meetings.

Second, If I am elected, I would like to see car stories from members. In the past two years, one member has come forward with a car story. While I might be editor, it is your Club. You can make the Club much more interesting with a personal contribution.

While I am on editorial house keeping, I have mentioned to members at the monthly meeting that Apple has gone from the 32 bit format to the new 64 bit Catalina OS. This means that I must update my software in the near future. I am going to have to delve into that shortly. The rub is that we (*make that I*) now must rent software, where in the past I bought and owned CS6 which I now use. For those interested, I use Adobe InDesign, Photoshop, and Illustrator to produce Healey Hearsay.

All of this means a new learning curve and expense, whether I like it or not. I will do my best to keep having fun...

Regards, Warren

Hello everyone.

It was nice getting together with everyone for Oktoberfest at Warren's home to eat, drink and be social! We celebrated on Warren's patio and around his pool and deck with the knowledge it will no longer be the same after his remodel this winter, however we look forward to celebrating again once his outdoor remodel is complete. The renovation plans sound great! We had approximately 14 members at the event and our October meeting was held during our gathering. There were 6 Austin Healey 3000's, One MG and One Mini Cooper. Our board and club members have talked about holding Saturday events and coupling them with meeting opportunities hoping to have larger member turnout, however we appear to have better attendance at our usual Wednesday evening meetings. We can try future Saturday events coupled with meetings maybe at a different time of year.

Our Secretary was absent enjoying family time away. Below is a summarize our meeting discussions:

We have some new members. Come meet them at our meetings

- The treasury is solvent.
- **Lou discussed future activities.**
- British Car day is Saturday October 12th and we look forward to seeing you at Spanish landing.
- Board Position Voting at our Wednesday November 13th meeting.
- There are few other activities scheduled during November.
- Poker Rally joint event sponsored by the British Car Council and the MG club-100 mile journey-There is a Flyer in HH for Saturday November 16th.
- December 14th is our Holiday party at the San Diego Automotive Museum. Please RSVP and send payment to Lynne Stark. Gift exchange planned. Gift value between \$15 to \$20 and no white elephants please! See Holiday party article in this month's newsletter
- Other discussions:  
Elections will be held Wednesday November 13th and everyone should be aware all board member positions are available for nominations each year. Please think about coming forward and ask to be nominated or plan on nominating those you believe will represent your club well in 2020. We need you! Nominations are open and voting will occur Wednesday November 13th at Bulley's East in Mission Valley. Currently we were notified the Treasurer position will become vacant in 2020. Gary Stalker has done a great job as Treasurer for the last few years. We appreciate his diligence and thank him for all his support.

*Continued on page 4.*

The existing Car of the Year award/ trophy became subject of discussion. Presently we have been working toward getting another run of the car badges made. It will take more time than expected. Until then, the badge will continue to transfer to the Car of The Year Winner. A new award/plaque has been planned and will be created in addition to a badge award. The plaque will hold many engraving tags to reflect our winners for many years to come.

Members were asked to come up with any suggestions or bring forward any topics of interest for discussion, desired future activities and input regarding places that may be interesting and fun for our monthly meetings.

Meeting was adjourned at 1:30PM and socializing continued. It was a fantastic relaxing day and the weather was perfect for Oktoberfest.

On BCD we met at Spanish landing in a huge line of cars making entrance one by one to the specified car class area. It was slow and initially a bit chaotic, however the weather and the venue and cars were beautiful, all 215 of them. Wow! I had never been to a BCD that was on the other side of Spanish landing and it turned out to be a great day. We had many cars from various clubs representing the Austin Healey and Jensen Mark. Award winners and attendees are listed separately in our HH. I believe our local club received 8 First and Second place awards combined. What a fun time. After all awards were received and BCD ended, we gathered and went to Tom Ham's Light House for food and beverages to continue celebrating. What a great time and surprisingly the food and beverages were good, but the view was magnificent. It was fun getting together with everyone to refresh and enjoy each other's company. We look forward to seeing everyone in November and December.

Banquets and Meetings are planned at the following locations:

- Club Meeting Elections Wednesday November 13th 6:30PM at Bully's East in Mission Valley.
- Holiday Party Saturday December 14th S.D. Automotive Museum 11AM – 4 PM Catered Holiday Party/buffet .
- Club Meeting Wednesday January 8th King's Fish House Mission Valley 6:30PM
- Club Meeting Wednesday February 12th Main Stream Bar and Grill in Poway 6:30PM

Please note: Our monthly meetings start at 6:30PM. Come early for happy hour and to socialize.

Respectfully,

Howard Stark

# 2019 Healey Oktoberfest...

Most of us are trying to extend the last of summer. I'm sure many Club members already had plans for October 5th. My having Oktoberfest at my home was kind of a last minute thing. Life is not for the faint of heart so I jumped into party planning with the help of Howard and Lynne. There was lots to be done here and Oktoberfest was the push to make it happen. I'm glad I went ahead...

I had just put up the parking signs Saturday morning, as Udo & Gisela Putzke and Neil & Nancy Tabachki arrived. Nathan & Charity saw them coming south on Hwy 67 as they were heading north to Ramona for a soft ball event with their daughter Avery. Perfect timing...

Oktoberfest included: Don Benke, Bob & Carol Farnsworth, Terry Cowan, Lou Galper, Bob & Barbara Humphreys, Udo & Gisela Putzke, Rick & Allie Snover and Golden Retriever, Carly, Howard & Lynn Stark, Neil & Nancy Tabachki, and me.

It was very pleasant, sitting under the Pomegranate bush that I trained into a tree. The breeze from the west, filtered sunlight through Pomegranate leaves, and the pool made the afternoon inviting...Friends that have known each other for years, laughing, chatting, and munching. Does it get any better?

*Above- Nancy, Lynne, Barbara and Gisela getting in a party mood with a little wine.*

*Left- view of the party from the guys table... The noise is mostly car talking stuff.*

*Below- The gals are having a good time at their table too.*

*Where ever he is, Udo always has a good time.*

*...And if Lynne is not having a good time, you're going to know it...*

## ...Out In The Sticks In Dehesa

President emeritus Terry Cowan gets the groups attention with some talk about who knows what? ... Healey stuff?, telling a Healey joke?...

Above- Don Benke scoops up some of chief Howard's chicken, brats and hot dogs from the grille.

Howard holds a impromptu monthly club meeting in the afternoon. Check out the combined presidents column/meeting minutes, pgs. 3 and 4 minutes for info...Is Lou paying attention?

Left- Allie and Rick's Carly, was the only one dressed for the occasion in a dogie Dirndl ( an Alpine girls costume, common at Oktoberfest time in Munich beer gardens. Oktoberfest is really a family affair.) Carly, a Golden Retriever was the center of attention. Her full name is "Carly Underfoot of Park Villa".

Faithful Healey's in the back, looking in on at our good time...

# BCCC 2019 British Car Day...

British Car day, at the Cancer Survivors Park is a great venue for the event. While it was a little hectic, getting everyone settled in their respective marque areas, the British Car Club Council staff did a great job and all seemed patient. Marque areas expanded, or contracted depending on who showed up. There were fewer Healey's than past years, so our space shrunk. But we made it work. I was astounded that my car was the only BJ8 there, so I received an award for showing up.

I am always reminded what attracted me to British Sports Cars, many years ago. All my friends had sports cars, but me. I was in college. So I built mine, but thats another story. I cut my teeth on a loner Red Triumph TR2 for 3 weeks while my friend Ervin Sharp was in the Cal Fire summer forestry program. I will never forget it. It was 1958, I was young and ready for anything...

When I think of sports cars, MG TC's and TD's and Triumphs come to mind. Healey's were new and few were on the road. So I thought of MG's and TR's first on Saturday. A friend of mine, Dick Tennent, had just purchased a white over red BN4 and had a tweed driving cap and jacket to match. He was a fancy guy and had a fancy girl in the cockpit with him...*Those were the days my friends, we thought they'd never end...*

Above- Schuyler Hoffman's 1932 MG TA

Above- 1957 Jaguar XKSS looks too perfect to be authentic. But who knows?...

Left- Alex and Sandy Watts Aston Martin DB4 decided not to attend, so they brought her in spirit.

Right-1929 "Bloody Mary Special" is a very special replica.

Left- Nifty Morris Minor "shooting brake", a station wagon in the UK. Perfect for a holiday in the Lake District or maybe up HWY 1 in the slow lane to Nepenthe.

## ...At Spanish Landing

Fabulous Rolls Royce with a tool kit you would hope you never have to use.

This plum, Burgundy, and black Bentley exhales elegance...This picture doesn't do it justice...

Triumph TR2's and TR3's were the British hot rods before the Healey's arrived. They had plenty of power for the 60's and were my favorites. The early long doors were always getting dragged on curbs.

And it's always Back to the future in a 1981 Delorian. And it's always cool...

Triumph 2 liter roadster manufactured in 1949. It had an overhead valve engine and a maximum top speed of 65 MPH at 4200 RPM. The engine produced 68BHP. It was the last vehicle made with an occasional Dicky seat. A great looking nice driving around town car.

The McLaren 650S has a claimed top speed of 207 MPH and can accelerate from 0 to 60 in 3 seconds. And from 0 to 124 MPH in 8.4 seconds. The engine is a 3.8 twin turbo M838T V8, 7 speed transmission.

## It was a great day for the club

It was a great day for the Club. Every mark and class received an award, even if only one example were present. We won awards because there were so few Healey's present. This may sound cheeky, but if you planned and canceled, thank you for not coming... ha, ha... This years awards were beer mugs with the event engraved on the side. It's always nice to walk away with an award. The value is immaterial.

While our display space may have been smaller than planned, The club gave a good accounting of itself and we had a great time of the day...

Left- Barbara had an interesting 1959 100-6 with a TR250 engine in it. She mentioned that the car came with the original engine also. Barbara won first place in her class too...

Below- after a hard day winning awards, the crew, including Howard and Lynne, Lou and Deborah Barbara and Bob, Sandy, and myself, adjourned to Tom Hams Lighthouse for some well earned libation and very good bar food.

Club awards included Sandy Leon, 19059 Sprite AN5, Bob Humphreys, Jensen Interceptor III, Howard Stark 1960 3000BT7, Gary Stalker 1955 100 BN1, Eric Schermer-

horn 1963 Sprite MkII AN7. I also won an award for 19663000 MkIII Bj8. My award was awarded to someone else, so I will receive mine later....

## CAR OF THE YEAR (COTY) AWARD

To recognize Club members who participate with their Healeys, the Austin Healey Club of San Diego awards CAR OF THE YEAR (COTY) points for various activities. Opportunities to collect COTY points include any car-related events (shows, drives, rallies, etc.) sponsored by an official organization (other car clubs, auto museum, city chambers of commerce, charities, etc.) where you participate with your Healey. Events need not be listed in the Club's newsletter to earn points.

The participant is responsible for providing proof of participation (entrance fee receipt, photo, corroboration from other club members etc.) to the COTY Recorder, Rick Snover (619-980-4194 [ricksnover@earthlink.net](mailto:ricksnover@earthlink.net)) within 30 days after the event. AHCS D events will have a sign-in sheet that will be forwarded to the recorder. For members with multiple eligible vehicles, be sure to indicate which one(s) you drove.

COTY points currently approved by the Board are: AHCS D Meetings & Tech Sessions 3pts; AHCS D Driving Events, Parties, etc. 6pts; AHCS D Healeys on the Green 8pts; California Healey Week, Healey Rendezvous and Austin Healey Conclave 16pts; S.D. British Car Day and Rolling B.C.D. 10pts; other multi-day British-themed events 8pts; other multi-day events 4pts; other one-day British-themed events 4pts; other one-day events 2pts. Other non-Healey British-built cars earn half points, but are not eligible to win the award.

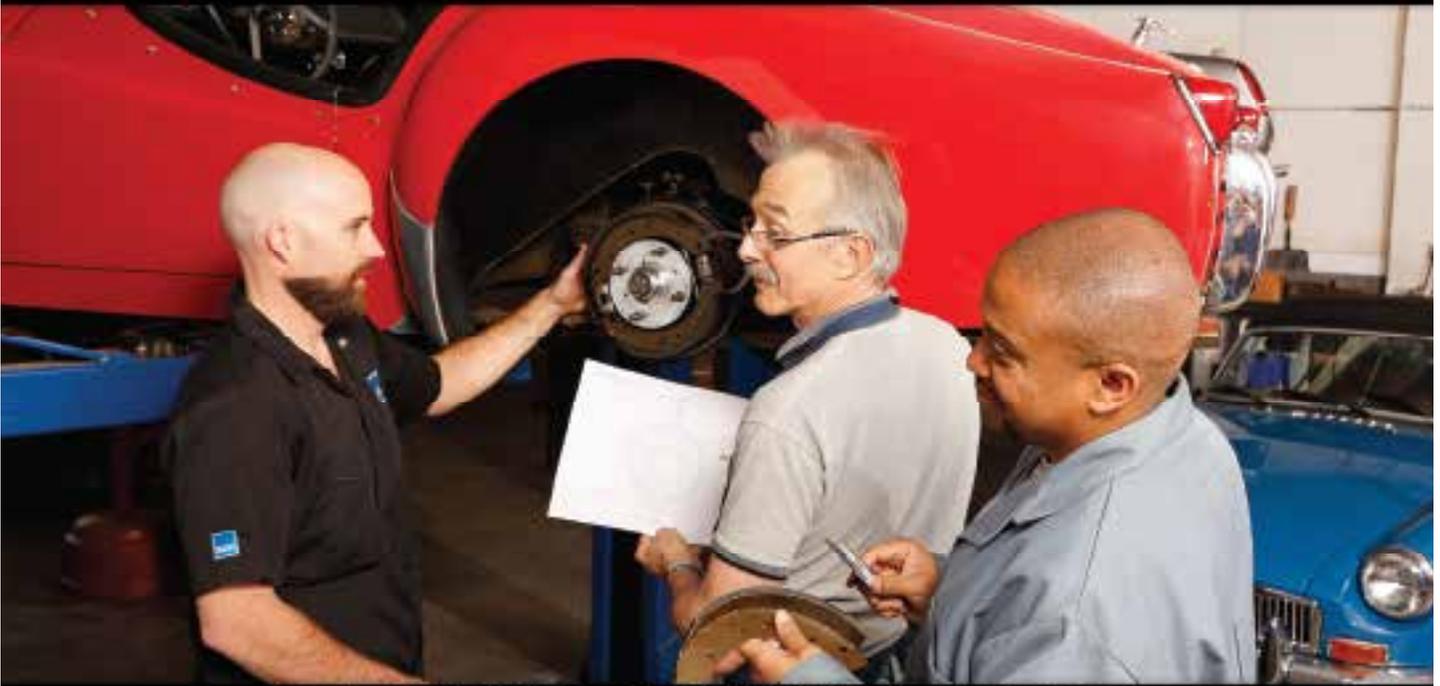

All points received during the year by all members will be worth a discount towards the purchase of AHCS D regalia during the subsequent year. The total point leader at the end of the year will receive the coveted CAR OF THE YEAR badge for display on their Healey for the following year.
